(Affiliated to Periyar University, Salem) (An ISO 9001:2015 Certified Institution) Nangavalli, Salem - 636502

Date: 10.11.2022

## CIRCULAR

This is to inform you that Department of Computer Science, Kailash Women's College -Association With OCTEL TECHNOLOGIES Conducts Guest Lecture Programme on "Quantum cryptography" and it's is scheduled on 25.11.2022. The students, those who are interested, can enrol their name on or before 16.11.2022 and for more details contact Mrs.V.Sherine Vargheese M.Sc., M.Phil., Head, Department of Computer Science.

## DETAILS OF THE EVENT

1	Name of the event	Guest Lecture Programme
2	Title of the event	Quantum cryptography
3	Date of the event	25.11.2022.
4	Venue of the event conducted	Varudhi Ammal Seminar Hall
5	Name of the co-coordinator	Mrs.V.Sherine Vargheese M.Sc., M.Phil., Head, Department of Computer Science, Kailash Women's College, Nangavalli.
6	Name & address of the resource person	S Suresh, Managing Director Octel Technologies
7	Total participant	50
8	Objectives of the event	<ul style="list-style-type: none"><li>Quantum cryptography is still in its early stages of development and is currently more expensive than traditional methods due to the need for specialized equipment and infrastructure</li></ul>
9	Outcomes of the event	<ul style="list-style-type: none"><li>Quantum cryptography is a type of cryptography that uses the principles of quantum mechanics to provide secure communication.</li><li>Unlike traditional cryptography, which relies on mathematical algorithms and keys to encrypt and decrypt messages, quantum cryptography uses the inherent properties of quantum particles, such as photons, to generate keys and ensure security.</li></ul>

## Detail Report on the Event

The Encouragement and support from the management of Kailash Women's College, Nangavalli, Department of Computer Science organized a Guest Lecture Programme on "Quantum cryptography" on 25.11.2022.. The participants Under & Post graduate student's Computer Science Departments and the faculty members were also participated in this event. The session was concluded he expressed special gratitude for informative and useful presentations. On behalf of our institutions he sincerely thanks to all the students and faculty members for actively participating and making this Gust Lecture.

## Detail Report on the Event

The Department of Chemistry organized a Skill Development training programme on “**Practical Skills in Chemistry**”. It was held on 09.02.2023 in the varudhi Ammal Seminar Hall. In this Programme Overall 48 participants were attended, who are students in Department of Chemistry. The session starts at 10:00AM with the Introduction regarding the topic by the Guest.

The Guest clearly explained to the students about “**Practical Skills in Chemistry**”. This Information would be useful to participants for their Practical works. Participants found this Programme was informative and useful. Students were interested in this session and expected more sessions like this. Feedback from the students was very much positive and have appreciated the way of conducting the programme.

“Parties” shall mean IGCC (KWC) and “party” shall mean either IGCC or KWC as the case maybe.

Whereas KWC is a highly reputed educational institution which has learned faculty centres of excellence and large number of intelligent students who can complement the efforts of industry jointly agree to exchange their expertise for mutual benefit and growth on the areas and the terms specify hereunder

The fields identified for exchange of resource and knowledge are

- a. Industrial visit
- b. Guest lecturer and paper presentation
- c. Project work
- d. Research and development
- e. Problem solving
- f. Internship
- g. Curriculum development
- h. Studies and consultancy to the companies of the Ivory Gull candy company

## **TERMS**

### **A. Industrial visit:**

Based on convenience, IGCC will allow students of KWC for industrial visits towards the benefit of practical exposure

### **B. Guest lecture:**

IGCC will provide guest lecturers to KWC students periodically to get them motivated to become competent and successful entrepreneurs. Vice versa, KWC will provide classroom and explanatory sessions at its facilities to train /re train the employees of IGCC

### **C. Project work :**

IGCC will allow students of KWC for live project works , aimed at building confidence and will help them to get prepared for smooth transition from academic to a professional working environment.

### **D. Research and development :**

IGCC will allow students of KWC for the research and development work related to confectionary product development

**E. Problem solving :**

When the problem areas or thrust areas are identified during the course of interaction between KWC and IGCC for further research and problem solving ,they may use the facilities /resources available mutually.

**F. Internships:**

IGCC can provide opportunities and inputs to students of KWC to undertake internships and field studies to provide inputs in the field of management ,technology development and marketing.

**G. Curriculum development:**

The experience and expertise of the managers of IGCC will be made available for KWC in framing the curriculum so as to suit to the needs of the industry .

**H. Studies and consultancy to the industry:**

The faculty resources and expertise of KWC and student assistants could be made use of by IGCC for undertaking any studies for improvement/productivity increasing any of its activity segments.

**Location:**

**General:**

1. Based on the need for human resource, IGCC will give priority in recruiting graduate trainees/management trainees from KWC
2. KWC and IGCC will share the library and laboratory facilities at there ends for the mutual benefits.
3. A steering committee consisting of members from IGCC and KWC will be the functional to execute this MoU during its tenure and shall review the components contain in the MoU.
4. One of the members of the above steering committee on each of side will function as its secretary for the purpose of communication.
5. Any financial obligation on either of the parties should be mutually agreed upon in advance.

6. This MoU will be in effect for a period of 3 years from the date of signing the MoU and can be extended for further period on mutual agreement.
7. This MoU can be terminated by either of the parties by giving 3 months notice

IN WITNESS WHERE OF , THE PARTIES HAVE EXECUTED THIS MEMORUNDUM OF UNDERSYANDING ON THIS THE dd/mm/2023 AT NANGAVALLI.

## Detail Report on the Lecture

Department of Biotechnology organized a Guest Lecture entitled Bio Gas Production in Organic Waste Development for the students of biotechnology. The Lecture was held on 24.03.2023. Praveen Ramachandran Managing Director at Agaram Biotech the guest speakers for the Lecture. In the session he is delivered a speech on the various aspects of Bio Gas Production in Organic Waste Department of Biotechnology students and staff members attended the Lecture was very informative and useful for all.

## Resource Person Details

At Praveen Ramachandran Managing Director at Agaram Biotech , we believe that healthy soil is the foundation for healthy crops, and healthy crops are the key to a healthier planet. We specialize in the development and production of organic solutions that help farmers increase crop yields, reduce input costs, and minimize the use of harmful chemicals.

## Details of the event

1	Name of the Event	Guest Lecture
2	Title of the Event	<b>“Bio Gas Production in Organic Waste”</b>
3	Date of the Event	24.03.2023
4	Venue of the Event conducted	Varuthiammal Seminar Hall
5	Name of the Coordinator	V. Sivagami, M.Sc., M.Phil., Assistant Professor, Department of Biotechnology, Kailash Women's College, Nangavalli.
6	Name and Address of the Chief Guest	Praveen Ramachandran, Managing Director, Agaram Biotech, Karuparayan Temple, Devamapalayam, Avinasi(Tk), Tirupur.
7	Total participants	115
8	Objectives of the Event	Besides increasing the uptake of nutrients to plants, Bio Gas Production in Organic Waste also perform other plant physiological tasks, such as augmenting water uptake and the photosynthetic rate of plants..
9	Outcomes of the Event	Fertilizers boost crop yields, but their excessive usage has hardened the soil, reduced fertility, strengthened insecticides, polluted air and water, and emitted greenhouse gases, creating health and environmental risks
